Kitchen Collection

A Unified Kitchen System

Inspired by the simplicity of a marker,
AELGA presents the MARK Series — a unified,
expandable kitchen system.

Each piece shares a consistent design
language.

Designed for scalability.

Built for retail consistency.

With 20+ years of expertise,
AELGA delivers stable, distinctive kitchen
solutions for global brands.

Mark Stainless Steel Dispenser

One Tool, All Uses

Drizzle honey, oil, sauce and more with precision—no drips, no mess, no waste.

Versatile design fits multiple scenarios, boosts perceived value.

Dual-Tone Contrast

Rich visual layers make it stand out on retail shelves.

Smart Rocker Lid

Auto lid protects contents from dust and contamination. Better user experience = higher sales.

Dual-Tone Contrast

Contrast splicing creates a unique visual identity and stronger market differentiation.

A harmonious mix of materials creates a cohesive, elevated kitchen aesthetic.
A versatile, market-ready collection ideal for global homeware brands.

1. Unscrew the lid and fill
with desired spice.

2. Adjust the grind size
knob needed.

3. Grind

Gentleman Cyclone Series: Clear borosilicate glass with classic
spiral texture, designed for broad market appeal.

Star Ring Series • Cosmic Aesthetics Meets Functional Design

Cube & Chic

Kitchen Wares
